NEWS RELEASE

**GUERRERO APPOINTS SIEGFRIED (SIG) WEIDNER TO POSITION OF
VP EXPLORATION AND GRANTS OPTIONS**

Guerrero Ventures Inc. (the “Company” or “Guerrero”) (TSX-V: GV) is pleased to announce the appointment of Mr. Siegfried (Sig) Weidner, B.Sc., P.Geo. to the position of Vice President Exploration of the Company, effective immediately.

As Vice-President Exploration Mr. Weidner will be responsible for the management of the Company's option of the Biricu property in the Guerrero gold belt in Mexico, including the planning and execution of all exploration programs.

Mr. Weidner has over 25 years of successful, international mineral exploration experience with junior and major international exploration and mining companies. His significant experience includes early identification of potentially significant mineral deposits, advanced project management, development and management of exploration programs from greenfields to Pre-feasibility stage, discovery and delineation of economic mineral resources as well as important exposures to the field of health, safety, environment and community relations. Contributions to various exploration companies and projects have allowed Sig to foster an extensive network of industry professionals, including a network of investors in North America and Europe.

Most recently, Mr. Weidner served as VP Exploration for Geologix Explorations Inc. where under his leadership the exploration department was able to successfully identify the San Agustin polymetallic porphyry deposit in Durango State, Mexico and significantly increase resources from 2007-2009. During 2010-2013 Sig's exploration department played a significant role in moving the Tepal gold-copper porphyry project in Michoacan State, Mexico from an exploration play to the development stage with a completed pre-feasibility study. Prior to joining Geologix in 2006, Mr. Weidner spent 18 years with Rio Algom Ltd./Billiton/BHP Billiton in senior roles both in the exploration and operations departments. Sig has been awarded the Prospector of the Year (New Brunswick PDAC Branch) award in 1993 and the International Bill Dennis (PDAC) Prospector of the Year award in 1998 for the discovery of the Spence Porphyry Copper deposit in Chile.

In accordance with the Company's Stock Option Plan, Guerrero has granted to certain Directors, Officers, Employees and Consultants incentive stock options to purchase up to an aggregate of 3,500,000 common shares in the capital stock of the Company for a period of five years at a price of \$0.16 per share, subject to TSX Venture Exchange re-acceptance of the Stock Option Plan, which was re-approved by shareholders at the most recent annual meeting.

Biricu Project

Guerrero, through its recently acquired subsidiary, Citation Minerals Inc., has an option agreement with Esperanza Resources Corp. (a subsidiary of Alamos Gold Inc.) to acquire a 100% interest in the Biricu Project mineral exploration concession located in Guerrero State, Mexico. The Biricu Project comprises more than 41,000 hectares of highly prospective ground and management believes that the Biricu Project is the direct on-strike extension of five skarn deposits in the Guerrero Gold Belt (El Limon-Los Guajes - Torex Gold Resources Inc.; Bermejil, Los Filos, and Nukay - Goldcorp Inc.; Ana Paula – Newstrike Capital Inc.).
